

# *Introducing* Canada's Finest Fresh Sliced Mushrooms Available Today!

Ubbelea is proud to introduce the most revolutionary and food safety tamper evident sliced mushrooms available! Designed to meet and exceed the growing food safety needs of the food service industry, plus it offers a new level of cleaned, ready to use sliced mushrooms to meet the highest standard of quality.

## **Twice the Shelf-Life**

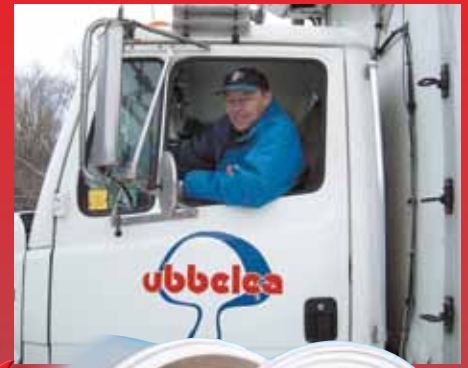

- Extensive research in product handling and shelf-life characteristics give Ubbelea the edge in shelf-life.
- State of the art processing and cooling techniques ensure maximum freshness.
- Innovative and complete product quality control from the beginning to end user is controlled.

## **Dependability and Experience**

- Ubbelea owners have over 40 years experience in the mushroom industry and food service marketplace. Our goal is to commit to 100% customer satisfaction.

## **Tamper Evident Pail**

In today's world, food safety is Ubbelea's #1 commitment to our customers. That's where Ubbelea's tamper evident packaging has been the leader in the field for years.

*Mushrooms,  
mushrooms,  
and more  
mushrooms!*

# Discover Ubbelea Mushrooms...

the leader in fresh,  
sliced mushrooms
